

*The NCC Virtual Mini Gathering Prize Vault contains several exclusive items provided to us by Department 56 as well as numerous items by our valued NCC Associate Members.*

**Physical raffle tickets will NOT be distributed to each purchaser. All of the raffle ticket purchases will be used to create physical tickets that will be used for all of the drawings. Prizes in the vault will be awarded one at a time, by drawing a raffle number for that prize, the number/person selected wins that prize.**

**Please visit this page often as we will be making deposits to the Prize Vault right up until the gathering!**
